

Exploring The Supremacy of Christ

Please join us as we dialogue about the greatest crisis facing our churches in this hour. David Bryant will lead our time as we explore what he calls the Crisis of Christology. We'll discover how we can confront and cure it, and what that might mean in terms of reaching more people with the glorious, hope-filled message of our Redeemer. You'll get a larger vision of God's Son for your *own* life, too!

The **conference** cost is \$65, which includes a copy of his latest book, **Christ is All! A Joyful Manifesto on the Supremacy of God's Son** (retails for \$30) and the chance to interface with many people committed to seeing God's Kingdom established in Las Cruces and beyond. David will give us inspired leadership as we share our lives by Word, worship, interaction and prayer. You will be renewed!

Formerly President of Concerts of Prayer International (COPI) and Chairman of America's National Prayer Committee, over the past 30 years **DAVID BRYANT** has been defined as a "messenger of hope" and a "proclaimer of Christ" to the Christian body—Catholic, Protestants and

Orthodox throughout the world.

Capitalizing on city-wide mass rallies; national and international conferences; training videos, seminars and manuals; development of leadership coalitions; the mentoring of younger leaders; and media outreach (both TV and radio), David has played a widely visible role in the emergence of an unprecedented, worldwide prayer movement. Many testify, however, that his key contribution to this movement always is to help set its primary agenda: the hope of a God-given awakening, among Christians everywhere—to Christ for ALL that He is.

To that end, since January, 2003 David Bryant has concentrated his efforts exclusively on his new mission outreach called **PROCLAIM HOPE!** The ministry emphasizes four major goals:

To proclaim a more comprehensive vision of Christ and His supremacy throughout the Church.

To awaken for all believers a life-changing hope focused on this larger vision of Christ and His supremacy.

To empower Christians and churches, and especially their leaders, by helping them grasp the dynamic hope in Christ that mobilizes God's people for new advances of Christ's Kingdom among the nations.

To equip other "Messengers of Hope" who are able to replicate the same mission: to proclaim, to awaken, to empower and to equip.
