“...so that in everything, He (Christ) might have the supremacy” (Col. 1:18)

Washington State pastors and ministry leaders are invited to these meetings October 28th-30th with David Bryant, internationally respected author & speaker.

Discuss the greatest crisis facing the Church today: the crucial need for restoration of hope and passion toward the supremacy of Christ. Then, examine some exciting solutions that can change our churches and ministries at:

Christ ROUNDTABLES

Washington State pastors and ministry leaders are invited to these meetings with David Bryant, internationally respected author & speaker.

**OCTOBER 28TH -30TH
at various locations in the
Puget Sound and in Ellensburg.**

**“Only a God-given re-awakening to Christ and the full extent of His supremacy can resuscitate the Church’s hope and passion, and re-engage her effectively in the worldwide advance of His Kingdom.”
David Bryant**

Do you long for what the Apostle Paul states in Colossians 1:27, “Christ in you, the hope of glory,” to flood your personal life, ministry and community?

Then, we strongly urge you, and other Christian leaders in your community or denomination or ethnic group to attend one of these roundtables. These meetings with David Bryant, will help re-awaken your people to Christ for all that He is.....“Christ is ALL, and is in ALL.” (Col. 3:11).

This is a crucial MESSAGE OF HOPE for the Church of our region which we seldom hear from other sources. David Bryant is suggesting a “Campaign of Hope” to Christian leaders across the nation. Such a campaign could become the ultimate catalyst within the body of Christ for all that He wants to do in our communities.

David Bryant, Director of PROCLAIM HOPE!
(formerly Concerts of Prayer International)

For the past 30 years, David has led city-wide rallies, spoken at national and international conferences, developed leadership coalitions and produced regular TV and radio messages to help build an unprecedented, worldwide prayer movement. David’s consistent contribution to this movement has been to help set its primary agenda: the abounding hope of a God-given awakening among Christians everywhere to Christ for ALL that He is (Christ’s supremacy). As a former pastor, David is mobilizing many other leaders to become effective “Messengers of Hope” and proclaimers of Christ in their spheres of influence. *For more information, go to www.DavidBryantDirect.com.*

DISCUSSION TOPICS

- Is there a “crisis of supremacy” in the Church today which has resulted in a loss of hope and passion for Christ among God’s people and a profound loss of impact for His Kingdom?
- What would a fresh revelation of the supremacy of Christ in our churches include? How would this impact our communities?
- Practically speaking, how can we as leaders start proclaiming the supremacy of Christ to our people in a way that cures this crisis and restores their hope and passion towards Him?

David will dialogue with the attendees about the process of spreading a biblically comprehensive, hope-filled message of the supremacy of Christ throughout the Church of our region. He will lead us in praying for a fresh awakening of Christ’s supremacy for us, over us, within us and through us!

As a follow through to the **Christ ROUNDTABLES**, leaders may want to form short-term groups with other leaders in their communities to discuss and pray about the issues and solutions further. David will have copies of his new manuscript on supremacy at the Roundtables to help leaders build these truths into their congregations.

Supremacy is not just about **Christ’s right to be kept at the center** of who we are, all we are doing and where we are headed. Supremacy is much more about **Christ’s right to keep us at the center** of who He is, all He is doing and where He is headed.

STRATEGIC GATHERING FOR PASTORS AND THEIR LAY LEADERS

13646 NE 24th St., Bellevue, 425-747-1461, www.westminster.org.

This is a very strategic opportunity for pastors and ministry leaders throughout the Puget Sound to bring their staff members, elders or deacons to discover for themselves what the “Crisis of Supremacy” is and be challenged to work together to cure it. This should significantly help church leadership teams to implement some of the practical suggestions that come out of the **Christ ROUNDTABLES**. There is no limit on the number of people who can come, so no registration is necessary.

Christ ROUNDTABLES are sponsored by International Renewal Ministries.
