# *Metro NYC Covenant for Prayer and Revival*

The Metropolitan Prayer Covenant below was drafted by pastors, laymen, and missionaries from different ethnic backgrounds within the Metro New York area. The covenant was constructed to provide a framework around which believers in the New York area can pray and obey God. Based around four basic themes— Revival in the Church, Reconciliation among the Churches, Reformation of Society~ and Reaching the Lost—it may be helpful in drafting a prayer covenant for the united prayer movement in your area:

## **THE COVENANT**

With repentance and hope, as leaders in Christ's church in Metro NYC we covenant to unite in prayer to seek God for revival in the church, reconciliation among the churches, reformation in society, and reaching the lost. We call others to join in praying with us until God answers and take action as He does.
