

Join us at this important Summit to hear a proclamation of hope for your life, your church and the nation. Lead by David Bryant, former president of Concerts of Prayer International (COPI) and chairman of America's National Prayer Committee, this conference will change the way you view Jesus and transform your life and the lives of those you touch. David has been defined as a "Christ-proclaimer" to the Church throughout the world.

I believe our Lord has called and anointed David Bryant in a special way to share a most unique message of hope focused upon the supremacy of our Lord Jesus Christ.

Chairman, The Mission America Coalition

*“Jesus’ role—in terms of how we see, seek and speak about Him—often comes much closer to being a mascot than a Monarch.”*

—David Bryant

This Summit will guide each one of us as we face the greatest crisis facing the church in this hour. David Bryant will explore how to confront and cure what he calls the *Crisis of Christology*, and what that might mean in terms of reaching more people with the glorious,

David Bryant's teaching on the supremacy of Christ not only draws us back to what is most important, but it is also the subject that is closest to our Father's heart. We know that Christ is supreme, but David shows us how this truth transforms every level of our personal and church life.

## David Bryant

David is giving leadership to what has been called a "National Campaign of Hope" uniting a coalition of leaders committed to a spiritual awakening to Christ throughout America.

Formerly president of Concerts of Prayer International (COPI) and chairman of America's National Prayer Committee, David Bryant has been defined by many as a "messenger of hope" and a "Christ-proclaimer" to the Church throughout the world.

David has played a widely visible role in the emergence of an unprecedented, worldwide prayer movement. Many testify, however, that his key contribution to this movement always has been to help set its primary agenda: the hope of a God-given awakening among God's people to the full extent of the supremacy of God's Son and strategic implications of this for the renewal and mission of God's people. To that end, since January 2003 David Bryant has concentrated his efforts exclusively on his latest mission outreach called **PROCLAIM HOPE!** The ministry emphasizes four major goals: to proclaim, to awaken, to empower and to equip.

Foundational to this campaign is David's seminal 480-page book on Christology titled *CHRIST IS ALL! A Joyful Manifesto on the Supremacy of God's Son*. To read more about David Bryant's ministry visit his website:
